Dear Steve and Samantha Nelson:

On behalf of Mokuaiikaua Church, I would like to thank you for your informative presentation on "Clergy Abuse" at your 4-day Seminar in September 2013.

We were fortunate to have had someone of your professional expertise and credentials, volunteer time from your busy schedule to address our congregation and participants, and serve as resource persons. By sharing from your own experience, failures and victories we learned so much and the responses were excellent, as many are free to resume their relationship with God, without condemnation or false guilt.

It has been a pleasure working with you, and I look forward to working with you in future educational endeavors.

Sincerely,

David de Carvalho
Senior Pastor

P.S. Please accept our apologies as this letter was originally written in December 2013 and we did not send it as intended to.
